Card of Thanks

Ever since Brad was diagnosed with Pancreatic Cancer in May, we have been overwhelmed by all the support and love we have received. Everyone has been so gracious in reaching out to offer assistance in so many ways that we could never fully express our gratitude. We want to especially thank our friends and family who went above and beyond in organizing the benefit for Brad. We are forever grateful for all the generous donations and want to give a heartfelt thank you to all those that were there. It was a night full of emotions; however, the laughter, conversations, and love will forever be remembered. It was an event like no other! We would also like to give a hearty thank you to all those that came out to help finish harvest. It was quite the touching sight to see everyone come together. Farming is what puts a smile on Brad's face and to be able to do it with people we love, is something we will never forget. We are so extremely thankful to be surrounded by an amazing and supportive community. We are humbled by your kindness and our hearts are filled by all the love we have been shown. During this season of giving, we would like to extend our deepest appreciation and thanks to each and every one of you.

~Brad, Anna, Haley, Hayden, Hadley and Tylar Noyes
